Annie On My Mind

Synopsis

This groundbreaking book, first published in 1982, is the story of two teenage girls whose friendship blossoms into love and who, despite pressures from family and school that threaten their relationship, promise to be true to each other and their feelings. Of the author and the book, the Margaret A. Edwards Award committee said, "Nancy Garden has the distinction of being the first author for young adults to create a lesbian love story with a positive ending. Using a fluid, readable style, Garden opens a window through which readers can find courage to be true to themselves." The 25th Anniversary Edition features a full-length interview with the author by Kathleen T. Horning, Director of the Cooperative Children's Book Center. Ms. Garden answers such revealing questions as how she knew she was gay, why she wrote the book, censorship, and the book's impact on readers "then and now."

Book Information

Lexile Measure: 1000L (What's this?)

Paperback: 272 pages

Publisher: Square Fish; 1st edition (February 20, 2007)

Language: English

ISBN-10: 0374400113

ISBN-13: 978-0374400118

Product Dimensions: 5.4 x 0.7 x 8.2 inches

Shipping Weight: 11.2 ounces (View shipping rates and policies)

Grade Level: 7 - 12

Customer Reviews

Annie on My Mind is not hip. It is not the seminal (excuse me, ovarial) novel Rubyfruit Jungle by Rita Mae Brown. It is not the 1995 film "The Incredibly True Adventure of Two Girls in Love." It is not a sexy, rollicking romp that takes us from the softball field into the bedroom. It is not a political/erotic expose of young New York lesbians. What Annie on My Mind is is a gentle love story told with

restraint and tenderness by Nancy Garden. Liza and Annie are two 17-year-old New Yorkers who meet, become friends, and slowly realize that their feelings encompass more than friendship. They are confused, curious, tentative and intense with each other. They have no road map to guide their emotions and behavior, no understanding friends or adults to reassure them or to celebrate their relationship. Their love for each other feels so natural and good that neither is ashamed of the relationship, but they still keep it a secret from everyone in their lives. Many of us wish to find ourselves in literature, to have our own story reflected in the pages of the novels we read. When we do find such stories, the experience is so exciting and validating that we are willing to forgive any imperfections in the book. It's just so wonderful to discover kindred souls, and to find out that others have been through similar experiences. Such is the case with *Annie on My Mind*. It tells the story that many young LBQ (Lesbian, Bisexual, Questioning) women experience, and as such is the kind of "normalizing" of homosexuality that many teenagers can't get elsewhere. The imperfections are minor, but worth noting, particularly in today's irony-saturated media.
