This series is almost unequaled in its depth of characters, its storylines, and its length. A well written almost never ending tale of action adventure love betrayal death and almost everything human. Buy the manga, Buy the movies, Buy the dvd's. If you can find it on blu-ray pick it up and keep it forever. Its certainly worth it.

A MUST HAVE FOR ANY BLEACH FAN! Ichigo saved Rukia but can he save himself? As Ichigo and Byakuya battle it out and Ichigo soon finds out that the only way for him to win is to use bankai, who will win? who will be cut down? this is the battle we have all been waiting for. Item was quickly recieved and was shipped very well. My son loves them and has added them to the collection he has growing in his room :) Would us this seller again.

Tite Kubo, Bleach: The Black Moon Rising (ViZ, 2001)The Soul Society story arc is coming to a close, and of course, the big battle between Ichigo and Byakua has to take place, right? That's the subject of The Black Moon Rising, volume 19 of Bleach. While the battle itself is rather anticlimactic, Bleach has, over time, become more than the sum of its parts, and much of the fun of any volume of Bleach is seeing these characters interact with one another once again. This volume is simply setup for the big end of the story arc, but as always with Tite Kubo, it's really good setup. \*\*\*\*
