# Children's Everyday Bible: A Bible Story For Every Day Of The Year

## Synopsis

This text introduces children to the important stories in the Bible from both the Old and New Testaments. It contains one story for each day of the year. There is also an illustrated map to help children place the people and events of these stories in the context of today's world.

## Customer Reviews

I have a Master's Degree in Theology and have been disappointed with many children's bibles for various reasons: too simple, too detailed, skewed in perspective, and so forth. This bible is so thoughtful, comprehensive and well written that even an adult reader will get much out of it! It is beautifully and delightfully illustrated as well. I checked this book out of the library for my kids (2 and 6) and found myself enjoying it in my own devotional times! I am now here to purchase this book for our family and for a gift. A friend of mine has a German copy of it that she recently bought while in Germany so more languages might be available as well.

This book has fit well into our training system. We read it right after dinner and it takes about 3 minutes to read and we talk about it for 3-5 minutes. The level is a little bit above my 3 and 4 year old's head so I simplify the language a little as I read. I won't have to do that very long though. The kids like the illustrations. We have been very happy with it.

My daughter (who turns 5 in 3 months) enjoys hearing the stories every evening before bed. I have found it is a great way to teach her about her religion and God. Children are innately curious and

love to learn. The stories touch on so many subjects and helps children to understand the lessons.  
:)

i checked out about 15 different kids bibles from the library and this one was a winner. i really like how they didn't just include the "more" important stories of the bible, like many of the others did. i was very impressed when i looked through it and saw the story of cain and able. upon getting it home we read the story of abraham and his son (which i had never heard before). great book for anyone to get a good grip on the bible. i made sure we purchased this one. and my kids (7 and 5)enjoy "church" at home with this book.

Children's Everyday Bible! give this book to my Sunday school children at Kindergarten age. It is theologically correct and written for a calendar year so that a small story or part of the biblical story may be read everyday. The illustrations are bright and beautiful and show people of color. It is not a cartoonish illustration. It is one of the best that I have seen!

This book is wonderful for the children and as an adult I have often found it very enjoyable to read it myself. The easy wording and pictures make it easier for me to understand the scriptures and make it easier for me to have a background of the story when I read the adult bible. I use this book daily for my studies and have shared it with my husband who also enjoys this childrens version. So if you want something to enjoy for yourself and your children this makes a great bible edition. You can learn so much from this book in a short time like the names of the people in the bible and some of the great stories.

This Bible is wonderful for those children just starting to read or for those whose parents read to them. Our church gives it to the second graders for their first communion gift.

This book use to be under ISBN 0-8423-6222-3. It was a great childrens bible then. Now that is no longer published by "Tyndale Kids" it has all the same illustrations but the stories are oddly changed to sound more gloomy and scary. Especially the story for May 27. The new version, (which is the only one you can find now) is actually sickening to see the difference from the old one. I don't know why Deborah Chancellor thought that 3 year olds should hear that Queen Athaliah of Judah (from May 27th page) "murdered all her grandchildren and seized the throne". Maybe its true but the original version from the previous ISBN does not say it in the words at all. The original version just

said that she "was evil". Three year olds don't need to hear details like that! The new version is ISBN 0-7894-8858-2. YOU DO NOT WANT YOUR CHILDREN TO HEAR THIS VERSION. Also, the very last page use to have Jeremiah 29:11 quoted on it. Now it has the Lord's prayer, but it is not even referenced to the bible.
