Extreme Faith Twelve Radical Young Believers In The Bible Who Changed Our World

Synopsis

Some young people today are indifferent about the Christian faith because they don't identify with anyone in Scripture or in their church. Others are excited about the faith and hungry for role models to show them how to pursue their ideals. *Extreme Faith*, a book created for the Extreme for Jesus line, addresses both needs. *Extreme Faith* is a collection of fresh, youth-oriented character studies that show readers what a difference young people made in Bible times. This book devotes a chapter to each character profile, telling stories of amazing Bible characters such as Isaac, Esther, and Josiah in detail and showing how today's youth can follow their examples and make a difference in their world. Includes snapshot profiles of modern young people whose lives are extreme for Jesus.

Customer Reviews

If you want to learn more about people in the Bible who were still young when they did amazing things for God you will love this book. It takes the stories you've read before and puts them in totally normal language. It is a great book.

I am a youth leader and found this book while looking for some lessons to teach my teens. I really love the perspective that the writer gives as he tells about Characters of the bible and how he shares stories of people today that display the same characteristics as those in the Bible.

If you would like to learn more stuff about people in the Bible who were still young with they did awesome things for God this book totally rocks. It tells you the stuff from the Bible but in really

normal language that is totally easy to understand. I would definitely recommend it to anyone who wants to learn more about the people of God.
