Synopsis

High jinx on the high seas! Buy three volumes of One Piece for the price of two! High jinx on the high seas! Buy three volumes of One Piece for the price of two! R to L (Japanese Style). Follow the beginning of Luffy's search for the greatest treasure in the world | one guy alone in a rowboat, in search of the legendary "One Piece." • Three volumes of One Piece for the price of two! (Contains volumes 10,11,12). As a child, Monkey D. Luffy dreamed of becoming the King of the Pirates. But his life changed when he accidentally gained the power to stretch like rubber | at the cost of never being able to swim again! Now Luffy, with the help of a motley collection of pirate wannabes, is setting off in search of the "One Piece," said to be the greatest treasure in the world...

One Piece: East Blue 10-11-12*WARNING:Two things. One, I have not read the first 6 volumes of the manga though I have seen the anime through the corresponding stories. As I get the first two volumes, I will add them. Two, I know these are three separate volumes and I would usually break them up into their corresponding separate books. However, as this is the only way I've read them; I will treat them as the ones I'm use to.*The Gush*Volume 10-part of 11 concludes the Truth about Nami story while the rest of 11 and 12 follows our heroes to 'Rogue Town' (or Logue Town if you watch the Anime) and onto the GRAND LINE!Much of what I stated for the 3-in-1 volume before applies to this volume as well. The writing and the drawings are phenomenal and the characters engaging and very human. There are plenty of battle scenes for those who want to see action, there

are new places to be explored, old enemies return to have their revenge, new nemeses come into play, and new questions that have no answer in sight are laid out in front of you. A wonderful but frustrating set of volumes as the questions continue to pile up and the Grand Line seems to be the place to find them. However long that will take. I rated this a bit higher than the other because the sections of the stories within this volume have some of the best flow, explanations, new characters, and plot development I've seen so far. What little of the Grand Line we see in this just makes me more excited to see this wonderful but scary place that has been built up as we traveled the East Blue. *The Rant* My rant from the previous review holds true here.
