Customer Reviews

a large book,with excellent,informative text about new zealands unique bird life,pre and post man.the paintings by ching are extremely life like, with great detail given even to the background.some 40 colored plates,and 50 black and white sketches,plates on the australian magpie and the house sparrow were unnessary, but the plate of the huia and the takahe are superb.all in all a beautifull book.

One of the best bird painter/illustrator
