Quick Civics Lessons From USCIS And Civics Flash Cards For Cut-Out

Synopsis

This inexpensive LARGE size book (8 x 10) is easy to read and contains all the official 100 Civics Lessons issued by USCIS - AND INCLUDES STUDY CARDS YOU CAN CUT-OUT AND TAKE WITH YOU FOR EASY STUDY! All the 100 questions and answers are presented in four different ways: 1. First, the 100 Questions and Answers are presented without additional material - for easy memorization. 2. The questions and answers are then presented in a Logical, Historical Order (similar to reading a very brief history of the U.S.). This presentation helps you see connections among the questions and answers and thereby make it easier for you to remember them. 3. All the questions and answers are then presented with official quick civics information which will help you better understand each question and answer (and make it easier to remember). 4. All 100 questions and answers are also provided in a flash card format that you can cut-out and take with you for easy study! Included also are the complete official Reading and Writing words you need to know and important web addresses on citizenship and elected officials.

Customer Reviews

I bought this book mainly for the cut-out flash cards, to prep for my exam - worked out great! Instead of printing 100 index cards on my printer, I used this book + cards - no hustle, great help. Highly recommend!

Excellent Book! Informative and Easy to Use. Love the Flash Cards!

My wife passed the test and this product played a major part! Even her customers helped her by running through the flash cards with her.

Love the book, I know it will help with our studies. The only thing that I wish was that the FLASH CARDS were on cardboard paper.

My daughter bought this for one of her friend and she appreciates very much.
