## Synopsis

Inspired by the beloved artistic vision of world-renowned landscape painter Thomas Kinkadee™ and imbued with the light of his uplifting message™ this heartwarming new novel introduces us to the quaint town of Cape Light, and the unique residents who call it home. Nestled in New England is the picturesque seaside hamlet of Cape Light, where everyone knows everyone, and folks still care about one another. But Cape Lighters have their share of hidden dreams, desires, and doubts, too. Like Mayor Emily Warwick, who sometimes feels that her job and her identity are inseparable, and her sister and rival, Jessica, who has torn herself away from the big city™s excitement and sophistication to come home and care for their ailing mother. Or Reverend Ben, who counsels and consoles an entire town while coming to grips with his own private sorrows, and Charlie, the owner of the local diner, who isn't shy about letting the mayor know that he is after her job. They are friends and neighbors, doers and dreamers. They laugh and love and build their lives together in the town of Cape Light™ and they will work their way into your heart.

This is a book that is VERY hard to put down! I also did NOT see Cape Light as a Bible-thumping town; the pastor is a kind, warm, non-judgmental man who has problems just like members of his congregation do. Reverend Ben's wife is sweet and caring; her battle with depression gives her more depth and makes her easier to relate to, as she is not really a main character in the book. Emily, the mayor of Cape Light, seems strong, capable, dedicated, patient, compassionate... almost

like a too-perfect painting that has only one set meaning to it. Until we get to know her heart and thoughts and see that Emily has constructed a seemingly-perfect facade to mask her loneliness and regrets for the past. She doesn't realize that part of the past has come looking for her. Emily's sister, Jessica, doesn't expect to make Cape Light her home: it's just a temporary situation for her while she's helping her sister take care of their mother, almost 99% rotten Lillian. Again - Kinkade uses his paint strokes magically to reveal something sparkly light about this seemingly never happy, sour-faced woman that a stranger to the little town manages to view a peek of. But Jessica never planned to meet someone like Sam, who seems to have a hold on her heart from the very start, though she may not realize it in time... even when the answer seems to stare her in the face, it may be too late to make amends. There are many disasters/painful problems or just plain messes that occur in the book, and what Sam says in the middle of the first mess (he is putting in a window for Jessica in her office at work and there is plaster dust all over the place) seems to ring true through the whole book: It'll get worse before it gets better!
