Entrepreneurial Finance, Third Edition: Finance And Business Strategies For The Serious Entrepreneur

Synopsis

The premier guide to setting up and managing your business's finances. Whatever business you run or plan to launch, *Entrepreneurial Finance* provides the essential tools and know-how you need to build a sturdy foundation that will support it for many years to come. *Entrepreneurial Finance, Third Edition*, offers potent methods for keeping firm financial control of your enterprise and insightful tips for avoiding the multitude of financial barriers that may block your entrepreneurial dream. This exciting update covers all the major topics that have made *Entrepreneurial Finance* the definitive book on the subject--from understanding financial statements and measuring cash flow to making a company profitable, valuing a company, and raising additional debt and equity capital--as well as brand-new, need-to-know information about: Marketing your crowdfunding campaign to finance not only technology companies, but also arts, sciences, biotechnology, and community development organizations Pursuing "intrapreneurship," or the financing of growth within an existing company using a mindset of entrepreneurship The "Entrepreneurship Spectrum," or the many ways to pursue your dreams of running your own company Discovering sources of debt and equity capital for the fast-growing millions of women and minority business owners *Entrepreneurial Finance* clearly explains the inescapable rules of timeless financial and business principles by using real-world examples and in-depth case studies. It features expert coverage of phantom stock, options, and ratio analysis used for businesses small and large. Packed with powerful financial and business techniques you absolutely need for success today, *Entrepreneurial Finance* provides the essential tools for building and maintaining steady profitability and business longevity in the most difficult economy in generations. *The Definitive Finance Guide for Entrepreneurs* *Entrepreneurial Finance* is a complete, one-stop resource that provides the information and strategies you need to ensure your business gets up and running--and stays up and running. The successful founder of several companies and one of today's top entrepreneurship educators, Steven Rogers teaches you all the best practices for financially setting up and managing a business. You'll learn everything you need to know about: Business plans -- What they are, what they can do, how to prepare them Financial statements -- How to develop them, how to analyze them Money -- Where and how to find it, techniques for maintaining positive cash flow This new edition brings you fully up to date with important new information on what to do and what to avoid when it comes to crowdsourcing, "intrapreneurship," and debt and equity capital, and it provides case studies of companies that were successfully launched during recessions. Working for yourself will be the toughest job you ever have, but *Entrepreneurial Finance* makes it easier by giving you a single resource packed with the latest research and step-by-step guidelines for what must be done, how to do it, and what to do

when things go wrong.

Customer Reviews

As an entrepreneur, this book summarized for me the important concepts of finance and financial strategy in a way that is easily digestible. This is no easy task because I've read a few finance books over the years and honestly, this has been the most useful and practical one I've read thus far. So whether you're looking for a refresher on financial concepts you've already learned or for book that will teach you about new ones, this is definitely a great read.

The single best book on finance I have ever read. Steven Rogers, Professor of Entrepreneurship at Kellogg, is brilliant. I took a course from him during my MBA program at Northwestern and it was by far my favorite. This update on his first addition is excellent.

Needed it for school. Great price, great read
