Handbook: House Marik

Synopsis

Wracked for centuries by civil wars, House Marik's Free Worlds League has endured by virtue of the tenacity and diversity of its people. Now, led by the strongest Captain-General in half a millennium, House Marik has stretched its wings, pushing the shadows of its influence across the Inner Sphere. Both by its revitalized military and an economic might that challenges even the ages-old dominance of House Steiner, the eagle soars proudly, as do the people who wave its banner. The Second in a new, dynamic Classic BattleTech series, Handbook: House Marik compiles the crucial history, politics and cultures of the Inner Sphere's first Great House. More than just a sourcebook, Handbook: House Marik includes rules for both Classic BattleTech and Classic BattleTech RPG campaigns, including new support vehicles, creatures, personal weapons, life paths and more!

Customer Reviews

The book is very informative for the role player. It also gives GM's a great starting point for their own scenarios, with NPC's ready for use...or maybe 'tweaked' a bit.

I really prefer the Classic Battletech over the newer incarnation. Revising and updating the original House and Field Manuals are a welcome addition to my library.
