Creative Window Treatments : Curtains, Shades, Top Treatments & No-Sew Styles

Synopsis

About This Book: We're freshening up an old favorite! Creative Window Treatments, from the Arts & Crafts For Home Decorating series, has sold over 300,000 copies since it was first introduced in 1992. This new take on that original book offers all of the tried-and-true content for basic window treatments, with updated fabrics, styles, and hardware, and features some newer techniques when needed. Both photos and text have had minor revisions, giving the book a more contemporary feel while maintaining the how-to content that everybody loves. Highlights: An updated revision of an all-time Arts & Crafts series bestseller. Features strong how-to instructions for basic window treatments, including expert advice on installing hardware. Ideas to create professional quality window treatments. Covers basic window treatments, designer window options, top treatments & accessories. Includes no-sew projects and techniques, like etching, faux stained glass, silk and dried flower arrangements and creative uses of shelves and shutters. Full-color step-by-step photos and illustrations show the reader how to create simple rod-pocket curtains to more advanced swags and cornices.

Customer Reviews

I received this book in very good condition just as promised and in a timely manner. Although I have not actually tried any ideas in this book yet, I plan on taking my time and finding the "right" window idea for my bedroom. It seems to be a very informative book, easy to follow detailed instructions

with some different approaches to windows. Glad I ordered it and would do buy it again.

The pictures are dated and the instructions were not that helpful. I wanted to make some drapes, but this book was not what I was needing.

These are just for my library. They were new when they arrived. shipped quickly. I'm happy.

Wonderful variety of window treatments
