One Paris Summer (Blink)

Synopsis

Most teens dream of visiting the City of Lights, but it feels more like a nightmare for Sophie Brooks. She and her brother are sent to Paris to spend the summer with their father, who left home a year ago without any explanation. As if his sudden abandonment weren't betrayal enough, he's about to remarry, and they're expected to play nice with his soon-to-be wife and stepdaughter. The stepdaughter, Camille, agrees to show them around the city, but she makes it clear that she will do everything in her power to make Sophie miserable. Sophie could deal with all the pain and humiliation if only she could practice piano. Her dream is to become a pianist, and she was supposed to spend the summer preparing for a scholarship competition. Even though her father moved to Paris to pursue his own dream, he clearly doesn't support hers. His promise to provide her with a piano goes unfulfilled. Still, no one is immune to Paris's charm. After a few encounters with a gorgeous French boy, Sophie finds herself warming to the city, particularly when she discovers that he can help her practice piano. There's just one hitch—he's a friend of Camille's, and Camille hates Sophie. While the summer Sophie dreaded promises to become the best summer of her life, one person could ruin it all.

****I received a free copy of this book from Netgalley in exchange for my honest review****5+

starsWhen Sophie and her brother Eric find themselves on a plane to visit their father and his

fiancÃ© for their upcoming nuptials, while excited for a trip to Paris, France, they arenâ€™t nearly as excited about seeing their father or the wedding. For the budding pianist Sophie, she is beyond worried that a lack of practicing all summer will endanger her chance at a scholarship to a prestigious college. And while her new step-mom, Eva is nice and happy to have them in Paris, her daughter and their new step-sister, Camille, is less than thrilled to not only have to share her room and home with Sophie, but that she is also expected to show them around on their visit. When their first trip sightseeing ends up with Camille purposely loosing Sophie on the Metro, she knows sheâ€™s in for a long summer. But then Mathieu, a childhood friend of Camilleâ€™s shows up to rescue Sophie, while she first thinks that itâ€™s another of Camilleâ€™s cruel jokes, but Mathieu has a way about him that settles Sophie and sends her head spinning. Even with her brother Ericâ€™s friend Dane visiting them in Paris, whom Sophieâ€™s had a crush on for some time, she sees the caliber of character difference and begins to spend more time with Mathieu, if even just to practice on his motherâ€™s piano instead of the key board her father bought her. Mathieu keeps his feelings just out of reach, and Sophie is continually baffled by him â€“ his seeming interest, but then pulling back just when she starts to feel close to him. Between boy issues and daddy issues, Sophie canâ€™t help but feel overwhelmed.
