Saltwater Fishes: A Folding Pocket Guide To Familiar North American Species (Pocket Naturalist Guide Series)

Synopsis

Saltwater Fishes is the perfect pocket-sized, folding guide for the nature enthusiast. This beautifully illustrated guide highlights over 140 familiar species organized by family. Created and printed in the USA, this guide was updated in 2012 with a new cover design and updated species selection.

Laminated for durability, this handy guide is a great source of portable information and ideal for field use by novices and experts alike. Note: Please be advised this product has two different versions of cover image, however the content and interior are all identical.

Customer Reviews

Bought this for my son of 11 years old. He loves this guide as well as all the others we have bought for him. They are well made and full of info and high quality pictures. I would highly recommend these for all ages.

nice product & handy to have downloaded on kindle app on phone just in case you are not sure what you caught.

I use this to identify fish when I'm out fishing.

Great

nice
