Doon (A Doon Novel)

Synopsis

Veronica doesn't think she's going crazy. But why can't anyone else see the mysterious blond boy who keeps popping up wherever she goes? When her best friend, Mackenna, invites her to spend the summer in Scotland, Veronica jumps at the opportunity to leave her complicated life behind for a few months. But the Scottish countryside holds other plans. Not only has the imaginary kilted boy followed her to Alloway, she and Mackenna uncover a strange set of rings and a very unnerving letter from Mackenna's great aunt—and when the girls test the instructions Aunt Gracie left behind, they find themselves transported to a land that defies explanation. Doon seems like a real-life fairy tale, complete with one prince who has eyes for Mackenna and another who looks suspiciously like the boy from Veronica's daydreams. But Doon has a dark underbelly as well. The two girls could have everything they've longed for—or they could end up breaking an enchantment and find themselves trapped in a world that has become a nightmare.

Customer Reviews

Welcome to the magical world of Doon, a mysterious Scottish kingdom that didn't seem to exist until Veronica and Mackenna find themselves stuck there, and falling for some pretty attractive and princely guys. Doon is a mystical fairy tale adventure that will have you turning pages faster than you can say Lerner and Loewell truly believe that it was fate that brought this book to my attention. If you haven't already noticed, I have a kind of unhealthy obsession with fairy tale retellings going on. Something else you might not know about me is that I also have an unhealthy obsession with

Broadway shows! So you can imagine the flailing and squeeing that ensued when I learned that there was a retelling of a fairy tale kind of Broadway show! As you've most likely already guessed, my expectations were already impossibly high. How could this one little book possibly live up to them? By being outstanding! I would've been sold just by the endless musical references, but the characters, plot, and world-building were amazing as well! I love how the story utilized elements of the original Brigadoon, while being very much its own story. I have to admit that I wasn't too familiar with Brigadoon beforehand, but that wasn't a problem going in. The pace of the whole story was just right, and kept me on my toes, since I was never quite sure what would happen next. I adored Veronica and Mackenna. It was actually kind of weird reading this book because of how similar I am to both of them. Veronica is my book nerd half, and Mackenna is my musical half. That being said, their personalities were complete opposites, and I liked seeing how they interacted with each other. The world of Doon itself was magical.
