The Same Page

Synopsis

Being a teenage girl is difficult and dramatic, especially when you live in the village and dream of being in the castle. Just like most teenage girls, Ysabel feels invisible and wonders if her mother will ever understand her. Thinking the future has to be better than the present, Ysabel hopes attending the sweet-sixteen ball will be that life-changing event. How she gets there is the challenge.

Book Information

Perfect Paperback: 132 pages

Publisher: Tate Publishing (April 10, 2012)

Customer Reviews

The Same Page by Courtney Bullard and Shauna Pilgreen is amazing! What a fabulous idea to create a flip book that offers two perspectives, one from Adela, the mom, and the other one from Ysabel, the daughter. As moms and daughters read the book together, they literally reach "the same page"! Genius! The offering of journal questions to share with each other and discuss the book opens the door to honest, heart felt, conversations between the two. This is an invaluable tool for not just moms and daughters, but mentors and mentees, and any woman who is investing in the life of a girl in some way. Do yourself and your loved one a favor: buy this book!The Same Page

Courtney and Shauna give helpful perspective and insight into both sides of this crucial relationship between mother-daughter. Thank you for this valuable and much needed resource!

I've never met a girl who didn't believe in fairy tales, who didn't dream of happily ever after. Shauna Pilgreen and Courtney Bullard have written a beautiful book, The Same Page, that will capture the hearts of women of all ages and inspire them to believe in the dreams God has for them.This story

is told from each perspective- the mom and the daughter, shedding light on how the other thinks and feels. I read the mother's story first and was captivated with emotion as she and her daughter began to interact. I can imagine those types of conversations one day with both of my girls, and I must admit, it's a little scary. I also read the daughter's story with similar feelings since I remember all too well the feelings of being a teenager, and the feelings of being misunderstood. Both sides inspire me and challenge me as a mom. As scary as it sounds to have two teenage daughters in the house one day, I'm also excited for the day to come. Resources such as, The Same Page, are such an encouragement to me as a mom and reminds me that God is a God who sees, El-Roi. He knows where we are in every stage of life from childhood to young adulthood to motherhood and beyond. What I loved most? I loved the notes from the King woven throughout. They pierced my heart and breathed truth into my soul. It's not easy being a mom, it's not easy being a daughter. It is a relationship that demands humility and sacrifice, but it's a gift like no other.
