Customer Reviews

This is by far the most beautiful deck of cards that I own. Of course, I have an amazing love and appreciation of dolphins, so perhaps I am biased. The artwork just seems magical to me. If you own Doreen's Healing with the Fairies deck, it is similar - but this deck seems even more perfect to me. There are dolphins and mermaids, of course... but there are also children and manatees and other magical creatures. The artwork is fantasy / mythical. Each card in the deck has a specific title at the top and then an accompanying message at the bottom. The messages in this deck are geared towards fulfilling your life purpose and goals / dreams. I usually refer to this deck each night to see if I am on the right track... This deck is so special, that I save it just for myself!!

Another winner from Doreen Virtue! I used this deck the other day and was just blown away, as was another person, whom I did a reading for. The colors are bright and vibrant, the illustrations just beautiful. Peaceful and serene are but just two words that surround me each time I hold this

wonderful deck of messages. I highly recommend these new oracle cards and I guarantee that one will not be disappointed! They are indeed magic!

I'd read *Healing with the Fairies* (also by Virtue), and while fascinating, I didn't feel a huge connection with the elementals she described. I "happened" upon this deck at my favorite metaphysical store, along with the fairies and other similar ones. The difference was, I took one look at this deck and immediately took possession. I usually draw a card in the mornings, and found an energetic and telepathic connection growing with these marine elementals, and in fact this opened me up to other ones, such as land, air and freshwater types. :) The artwork is peaceful and loving, and speaks to your inner child, or that soft part of you that you don't show to everyone. I find my readings to be dead on with what is concerning me when I draw a card, and though I've been drawn to dolphins for some time, found myself newly drawn to mermaids with the use of this deck. The pictures are fantastic and easily catapult you into another realm. The advice from the mermaids and dolphins reminds you to take a deep breath and be kind to yourself. Note: this deck is especially suited for anyone beginning to work with manifestation, as manifesting what you want in your life is a key focus of the deck.

This deck is amazing. The artwork is beautiful and the booklet is very well written. The fact that the meanings are written on each card helps the reader from having to look up meanings too much. I draw a card from this deck every morning to help me know what to focus on that day. Also gives very accurate readings.

I found these cards to be quite impressive for being simple oracle cards rather than detailed tarot cards. They give accurate readings and are easy for the beginner of using precognitive cards and are still fun for the experienced tarot card reader. The artwork is absolutely stunning and two of the card's artwork was done by a favorite artist of mine, Jonathon Earl Bowser, (see jonathonart.com) All in all this is worth the money it's priced at. Definitely a good buy. Also check out Doreen Virtue's, *Healing With The Fairies Oracle Cards*. That deck is equally impressive. Also, if anyone would like advice or help on interpreting oracle or tarot cards, please don't hesitate to email me. (surfinsurfergirl@yahoo.com)

Having worked with a number of oracle cards through the years, I have come to know one thing about the decks created by Doreen Virtue, PhD...they are magical. This deck is so easy to use that it

requires only the intention to use the deck, an open heart and a playful nature. If you are looking for an oracle deck that will teach you how to enjoy oracle decks, divination and listening to the soul's sweet voice - then don't hesitate on this deck...it will teach you the lost art of creating magic, being magical and experiencing everyday magic, joy and oceans of love!

This is a wonderful new deck of oracle cards created by angel communicator Doreen Virtue. The magical energy of the mermaids and dolphins will assist you in receiving powerful messages and guidance for yourself and others through the use of this deck. The wording on each card is very specific, detailed, and accurate, and all cards have a positive and encouraging feel to them. You will especially love working with this deck if you already work with the angels, enjoy helping and/or healing others, and enjoy receiving spiritual guidance. The cards also work wonderfully in conjunction with Doreen's other decks. A real treat, and a great gift for yourself, as well as loved ones! I highly recommend these oracle cards.

I love these cards more than all of Doreen's cards. The messages are positive and seem relevant to the issue at hand. The art work is beautiful.
