How Kaia Ra managed to capture the essence of each of the eight Master's unique personality that make up the Sophia Dragon Tribe, and their gift of divine grace, is a testament to her powerful gift as a channel for the new generation and as an author whose time has come to shake things up in

the world! This provocative gem provides the blueprint for awakening our God given inner genius through intriguing and super charged initiations that will leave you wanting to revisit each chapter over and over again. I quickly found myself in intimate relationship with each of the Masters, including Isis, Hathor, and Mary Magdalene. And what was more amazing was that I was in touch with each of their unique, individual expressions of love, wisdom and unwavering strength. I could feel the Masters communicating directly with me as they shared their encoded messages and powerful activations which have stirred within me a new sense of strength, purpose and clarity. I HIGHLY recommend this book!

I must tell you this is no ordinary book â it holds a powerful energetic transmission that will change your life! Kaia Ra writes so eloquently and is a clear channel for divine feminine wisdom being shared by the Sophia Dragon tribe. I could not put the book down! Each divine feminine key code and the divine feminine masters activations healed patterns I have been wanting to change for years. The book has initiated a process that continues to awaken me more and more to my true higher divine self. The book is beautiful and is a must read for anyone who is focused on spiritual growth, healing, the divine feminine (and divine masculine), and self understanding. I feel so blessed by Kaia Ra's life and that she is offering this extraordinary communication to all.

The second you hold this book in your hand you will be transformed. Kaia Ra's ability to bring you right back to your center and your truth is unprecedented! She embodies the Sophia Christ Light and reminds you of your Divine Genome held within your DNA. This book is an ABSOLUTE MUST READ if you are ready to awaken to a deeper part of yourself. Everything Kaia offers alters my life including this book. I promise you, this book will change you from the inside out and you will not be the same person you were before you read it. Get the book. Immerse yourself in the energy and allow yourself to transform. Wait for the miracles, this book will change your life! Thank you Kaia Ra for embodying this message so deeply and sharing to the world!

Words can't express the power and the potency of the information that is coming through Kaia Ra. It's life changing to say the least. This book is filled with the unconditional love and wisdom of the divine feminine Christ consciousness and will give you the ability to connect to your own sovereignty, your own divinity and build a personal relationship with each of the ascended masters. A user manual for ascension on the journey of the beauty way. Prepare to be transformed. Highly recommended!

Wow! The Sophia Code is Brilliant! I am totally absorbed by the feeling and the content. The Initiations open me right up and the Key Codes speak to my soul. This is the leading edge for loving light workers now. If you have a chance to listen to Kaia Ra or see her live it is a true blessing. She is so intelligent, warm and clear. Though her teachings maybe fierce at times she brings them through with all the fun I can handle.

Kaia is hands down one of the greater inspirations in my life. She has been given a guide to remember your divine and infinite nature. Shattering the glass ceiling that veils most. This is much more than a book and will be used for generations to come. She is way before and after this present moment. Her life is a gift to humanity.

Kaia Ra brings very detailed and precise information to the reader in the form of seven specific initiations designed to awaken and fine tune each of the seven chakras. The final initiation combines all seven for an over-all activation of the entire energy body. Just reading or listening to these does the trick - mostly on the unconscious level. They are multilayered. There is the story line for the ego to engage in and imagine - and underneath that is the energetic component that is working behind the scenes. Amazing information, and a powerful energy upgrade for anyone interested in personal transformation. Highly recommended!

Kaia Ra is a beautiful, clear channel of the divine love of Sophia as embodied by the eight guides of the Sophia Dragon Tribe. Her loving work has dramatically changed my outlook and experience of life. She and her work are absolute blessings on humanity and this planet.
