The Complete Jewish Study Bible: Illuminating The Jewishness Of God's Word

Synopsis

Christians and Messianic Jews who are interested in the rich spiritual traditions of their faith will be thrilled with this brand new study Bible. "The Complete Jewish Study Bible" pairs the updated text of the Complete Jewish Bible translation with extra study material, to help readers understand and connect with the Jewish roots of the Christian faith. The Complete Jewish Bible shows that the word of God, from Genesis to Revelation, is a unified Jewish book meant for everyone Jew and non-Jew alike. Translated by David H. Stern with new, updated introductions by Rabbi Barry Rubin, it has been a best-seller for over twenty years. This translation, combined with beautiful, modern design and helpful features, makes this an exquisite, one-of-a-kind Bible. Unique to "The Complete Jewish Study Bible" are a number of helpful articles and notes to aid the reader in understanding the Jewish context for the Scriptures, both in the Tanakh (the Old Testament) and the Brit Hadashah (the New Testament). Features include: - Twenty-five contributors (both Jewish and Christian), including John Fischer, Patrice Fischer, Arnold G. Fruchtenbaum, Walter C. Kaiser, Jr., Rabbi Russell Resnik, and more - Thirty-four topical articles ranging from topics such as the menorah (or candelabra of God) and repentance (t shuvah) in the Bible, to Yeshua's Sermon on the Mount and the Noachide Laws (the laws given by God to Noah and subsequent generations) and their applicability to Gentiles - In addition to these topical articles and detailed study notes, there are twelve tracks or themes running throughout the Bible with 117 articles, covering topics such as Jewish Customs, the Names of God, Shabbat, and the Torah - New Bible book introductions, written from a Jewish perspective - Bottom-of-page notes to help readers understand the deeper meanings behind the Jewish text - Sabbath and Holy Day Scripture readings - Offers the original Hebrew names for people, places, and concepts"

ISBN-13: 978-1619708693

Product Dimensions: 6.9 x 1.6 x 9.6 inches

Shipping Weight: 3.2 pounds (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #114,353 in Books (See Top 100 in Books) #34 in [Books > Christian Books &](#)

Bibles > Christian Denominations & Sects > Messianic Judaism #461 in Books > Religion & Spirituality > Other Religions, Practices & Sacred Texts #958 in Books > Christian Books & Bibles > Bibles

Customer Reviews

The number of Study Bibles available on the market today is breathtaking. There seems to be a Study Bible themed for almost any occasion or reason one could imagine. In recent years, several major Study Bible projects surfaced and released with mixed reception. One of the latest additions to this Study Bible market, and one that promises a wealth of useful insight into the Scriptures is the newly published The Complete Jewish Study Bible (CJSB). The CJSB is a unique Study Bible experience that seeks to submerge the reader into the Jewishness of both Testaments through fresh and relevant study notes and articles selected to accomplish this mission. The CJSB is based on the widely used Complete Jewish Bible (CJB) by David A. Stern. Those familiar with the CJB will know what to expect. Stern has translated the Bible with a particular sensitivity to the Jewish tradition and thus has retained Jewish names and words with theological significance. For example, the reader will discover thousands of occurrences in both the Old and New Testament of Adonai where the Hebrew and Greek would not warrant such translation, but the Hebraic tradition would (xlii-xliii). Readers will surely have a personal preference and opinion towards this decision and others like it, and further comment is beyond the scope of this review. The CJSB prepares the reader for extensive bottom-of-page study notes to help readers understand the deeper meanings behind the Jewish text (xix). However, for most readers (and especially those familiar with other Study Bibles on the market) this statement will over promise and under deliver. Many pages lack any presence of study notes. The notes are certainly helpful and useful for understanding the deeper meaning of the text, but they are not extensive by any meaningful definition of the word. I do not say this to discourage the reader away from the benefit of the CJSB, but rather to prepare them for the content therein. Still, the benefit of the CJSB is found in the numerous, and I mean numerous topical and themed articles. The topical articles cover a wide range of topics in both the Old Testament and the New, including the nature of covenant, millennialism and the future Israel, Satan in Jewish thought, a Jewish understanding of Hell, and much, much more. The themed articles are abundant and sorted under twelve major themes: (1) anti-Jewish scriptural interpretation, (2) covenants, (3) Jewish customs, (4) Jewish-Gentile relations, (5) messianic prophecy, (6) the names of God, (7) Sabbath, (8) salvation and atonement, (9) the holy days of Israel, (10) the land of Israel, (11) Torah, and (12) the tabernacle. The CJSB opens with a lengthy

introduction the CJB and closes with a number of appendix material (e.g. glossary of Hebrew words, topical and theme article index, biographies of rabbis and sages, etc.) and eight full-color maps. The CJSB is a unique Study Bible and a valuable investment for anyone interested in better understanding the Jewishness of the Old and New Testament. The articles are useful and many, and the CJB is an excellent supplemental translation to your Bible of choice. However, while I was honestly pleased by content that the CJSB offered, for some reason, I continued to feel as though something was missing. It could be the lack of "extensive" notes that I was anticipating or that they were paired with the CJB "a supplemental translation choice, in my honest opinion. Despite this, I was surprised at how often I was reaching for the CJSB to see what the contributors had to say about a passage or topic and I was pleased by the content and number of articles. The Complete Jewish Study Bible is a welcomed addition to the Study Bible market. The CJSB offers an unparalleled experience that will truly enrich the reader's understanding of the Scriptures. If anything, I think that it is safe to assume that the CJSB will provide another perspective for the reader to weigh as they seek to resemble and serve Jesus in the twenty-first century. I said it before, and I will say it again, the CJSB is a unique Study Bible and a valuable investment for anyone interested in better understanding the Jewishness of the Old and New Testament. It deserves a place on the shelf of every Christian!! I received a review copy of this book in exchange for an honest review. I was not required to write a positive review. The opinions I have expressed are my own. I am disclosing this in accordance with the Federal Trade Commission's 16 CFR, Part 255: "Guides Concerning the Use of Endorsements and Testimonials in Advertising.

I love the CJB bible, so as soon as I saw this was available with commentary, I ordered it. This is filled with wonderful commentary and resources that validate the Torah Observant life. I stay away from the TLV study bible because the commenters have a very "the law is abolished" mentality. It is refreshing to read a commentary that has so many resources for Yeshua centered Judaism. If you are looking at this item as a Christian wanting to read about Jesus (and will not stop celebrating the traditions of man) then look elsewhere.. if you are wanting a bible to really experience the son of G-d. Yeshua.. this is a great resource!

Was not exactly what I expected, thought there would be more substance to the book.
