Emily's Quest

Synopsis

"I love Emily."-Madeleine L'Engle Will Emily's Dreams Ever Come True? High school is over and Emily Starr is ready to find her destiny...but she's not quite ready to leave the safety of New Moon farm. She knows that she doesn't need New York City or some other exotic locale to help her become a famous writer. But as all of Emily's friends begin moving away to pursue their own aspirations in exciting places, she wonders if she's made the right choice. After suffering through a devastating illness, receiving rejection notices from multiple publishers, and nearly losing Teddy, her childhood sweetheart, Emily realizes that her quest for love, acceptance, and happiness is far from over. This new edition lovingly restores the original, unabridged text and includes an all-new, exclusive introduction with special memories from L.M. Montgomery's granddaughter. What Readers Are Saying: "Emily's Quest is my favorite of the Emily books (probably of all her books), and a wonderful read for any romantic like me." "Wonderful. As with all the Montgomery books, the beauty of the world captures you. Emily's Quest is a brilliant end to a most charming series of books." "Emily's Quest is truly a wonderful ending to one of the best stories ever written."

Customer Reviews

Look, it was amazing. Because I am going through a misunderstanding similar to what Emily went through, I loved it. But.....I thought she should have got out of Blair Water, maybe gone to New York for a year. It wouldn't have killed her. The ending.....it really looked like she wouldn't end up with Teddy. And the way she just ASSUMES she means nothing to him. Wasn't she jumping to

conclusions a bit? How could she be so sure? And couldn't she have told her own best friend about who she was in love with? It would have made her easier to relate to for me. Cool down, girl. The ending chapter, as others have said, was simply not complete enough. A description of her wedding.....that would have been nice. If not in this one then in some book Montgomery wrote after this about Emily. We deserved to know more. And I wanted more of Teddy around. We always heard what Emily thought of him, but there was so much of Dean and so little of Teddy. Why? I like that Dean character. I think Montgomery does a good job of showing the vile parts of human nature when she writes of how Dean told Emily "The Seller of Dreams" was no good. I seriously got angry when I find out he had done that to her though. It made me wonder, how selfish of him....when he knew in part at least that that accident she suffered was his fault, how could he have had that happy summer with her furnishing the Dissapointed House? The Dissapointed House is a wonderful metaphor by the way throughout the novel. Write better and less SUDDEN! endings Emily is tons better than Anne. I like the ambition of the woman. Anne lost all that. There is more of a mutual respect thing between Teddy and her. They are both going after "Rainbow Gold." Wish there had been more talk of that between them during the book.
