Ernie Pyle: A Hoosier Childhood

Synopsis

Ernie Pyle: A Hoosier Childhood is based on the childhood of Ernie Pyle. Never before published photos of the young Ernie Pyle and his family and relatives add weight to the story's authenticity. Ernie's story teaches us that it is most often the simple things in life that provide the glue in a community. Values such as honesty, persistence and concern for those less fortunate often bring the greatest honor to a community and true victories, as ever, are won by those have faith, perseverance and hope. A little novel with a great heart, A Hoosier Childhood is a book for readers interested in the forces that created a great American journalist.

Grade Level: 7 and up

Customer Reviews

My grandmother Sarah Sturm (her parents were Geroge Sturm and Emma Jordan) grew up with Ernie Pyle. Both the Jordan and Sturm Farms surrounded the Pyle Farm. I had heard so many stories about Ernie growing up and was thrilled to find this book. It is an easy read. I loved it and would love to know if the author is still alive? My greataunt Keene Sturm is pictured with Ernie Pyle in a school photo in the book. I would recommend this book to anyone who has ever read any of Mr. Pyle's books
