Paradise

Synopsis

In 1542, when sixteen-year-old Marguerite is selected by her uncle, the Sieur de Roberval, as one of the young women to accompany him on his voyage to the New World, she seizes the chance to escape the oppressive household of her father. Marguerite persuades her forbidden young lover, Pierre, to join the voyage so they can be wed when they reach Canada. But when Marguerite and Pierre are caught together on the ship, they are banished to the tiny, wild Isle of Demons, off the coast of Quebecâ and their voyage to freedom becomes a fight for their very survival. Inspired by the true story of Marguerite de La Rocque, *Paradise* is a gripping novel of adventure, courage, love, and hardship.

Customer Reviews

Sixteen-year-old Marguerite de La Rocque lives in a strict Huguenot household in France in 1542. She is in love with a young man named Pierre, but they can never marry because he is catholic. When Marguerite's father tells her that she will be part of her uncle's colony in the desolate new world of Canada, she at least feels hope, because in the wilderness, she and Pierre might find a way to be together. Pierre has found a way to join the expedition, and Marguerite is accompanied by her maid, Damienne, who is more friend than servant. So though she fears the wild new land their ship is sailing for, she knows she won't be alone. All goes well until after they arrive in Canada, when Marguerite's uncle discovers she and Pierre have become lovers. Furious, he has Marguerite

and Damienne abandoned on a desolate island known as the Isle of Demons. Pierre manages to join them, but will friendship, faith, love, and determination to survive be enough to keep the three alive in this desolate wilderness? I highly recommend this book to young adults who enjoy historical fiction. It's a wonderful story of friendship, love, and courage.

This novel was a good quick read. If you like historical fiction this is definitely a book I would recommend. A truly remarkable tale of survival which is actually based on a true story. Very good read.
