# **Shadow On The Mountain**

#### Synopsis

Shadow on the Mountain recounts the adventures of a 14-year-old Norwegian boy named Espen during World War II. After Nazi Germany invades and occupies Norway, Espen and his friends are swept up in the Norwegian resistance movement. Espen gets his start by delivering illegal newspapers, then graduates to the role of courier and finally becomes a spy, dodging the Gestapo along the way. During five years under the Nazi regime, he gains—and loses—friends, falls in love, and makes one small mistake that threatens to catch up with him as he sets out to escape on skis over the mountains to Sweden. Preus incorporates archival photographs, maps, and other images to tell this story based on the real-life adventures of Norwegian Erling Storrusten, whom Preus interviewed in Norway. Praise for Shadow on the Mountain STARRED REVIEWS "Newbery Honor winner Preus infuses the story with the good-natured humor of a largely unified, peace-loving people trying to keep their sanity in a world gone awry. Based on a true story, the narrative is woven with lively enough daily historical detail to inspire older middle-grade readers to want to learn more about the Resistance movement and imitate Espenâ ™s adventures." —Kirkus Reviews, starred review "This engrossing offering sheds light on the Norwegiansâ ™ courage during World War II. Preus masterfully weds a story of friendship with the complications faced by 14-year-old Espen and his friends as Nazi restrictions and atrocities become part of their everyday lives...This is at once a spy thriller, a coming-of-age story, and a chronicle of escalating bravery. Multidimensional characters fill this gripping tale that keeps readers riveted to the end." —School Library Journal, starred review "A closely researched historical novel... relates this wartime tale with intelligence and humor...Ms. Preus deftly uses together historical fact (Espen is based on a real-life spy) and elements of Norwegian culture to conjure a time and place not so terribly long ago." — The Wall Street Journal "Margi Preus, who won a Newbery honor for Heart of a Samurai, returns with another riveting work of historical fiction... This fine novel, which includes an authorâ <sup>™</sup>s note, a timeline, a bibliography and even a recipe for invisible ink, is based on extensive research... The result is an authentic coming-of-age story, perfect for readers fascinated by the diary of Anne Frank or Lois Lowryâ ™s classic, Number the Stars." —BookPage "The final chapters, which chronicle Espenâ ™s dramatic escape to Sweden—days and nights of mountain skiing, Nazis in hot pursuit—take the book into adventure-thriller territory without losing the humanity that characterizes Preusâ ™s account." —The Horn Book Magazine "Preus makes crystal clear the life imperiling risks that Espen undertakes and the danger to his family." —The Bulletin of the Center for Children's Books "As readers understand the risks that Espen took, they will want to learn more about this period. That

Espen escaped to Sweden by traveling at night on skis with five different guides should intrigue them.â • —Library Media Connection Awards VOYA Top Shelf for Middle School Readers 2012 list 2013 Notable Books for a Global Society Dorothy Canfield Fisher Book Award Â

### **Customer Reviews**

Shadow on the Mounà Â-tain by Margi Preus is a hisà Â-torà Â-ià Â-cal ficà Â-tion novel which comà Â-fortà Â-ably fits in the YA catà Â-eà Â-gory. This is a well researched and excità Â-ing book despite its intended audience.Nazi Gerà Â-many has swept through Norà Â-way, unseatà Â-ing the sit and govà Â-ernà Â-ment. Espen, a 14 year old Norà Â-weà Â-gian boy, decided to join the resisà Â-tance moveà Â-ment and starts by delivà Â-erà Â-ing illeà Â-gal newsà Â-paà Â-pers, gradà Â-uà Â-ates to courier and finally is sent to spy on the Nazis.Durà Â-ing the Nazi régime, which lasted five years, Espen grows physà Â-ià Â-cally and emoà Â-tionà Â-ally, falls in love and loses friends. Howà Â-ever, the life of a spy is in conà Â-stant danà Â-ger and Espen makes a misà Â-take which forces him to flee his beloved counà Â-try in a danà Â-gerà Â-ous trek through the mounà Â-tains to Sweden. Shadow on the Mounà Â-tain by Margi Preus takes place in Norà Â-way durà Â-ing World War II and folà Â-lows the advenà Â-tures of a boy named Espen. As any good hisà Â-torà Â-ià Â-cal ficà Â-tion novel, the book comà Â-bines actuà Â-ally hisà Â-torà Â-ià Â-cal events while explorà Â-ing the emoà Â-tional nature which these events caused.Norà Â-way was an imporà Â-tant tarà Â-get for the Nazi régime, not because of it is strateà Â-già Â-cally imporà Â-tance, but because of their Aryan look. Hitler clearly hoped to "marry" Gerà Â-many and

Norà Â- way in order to proà Â- duce his vision of the ultià Â- mate masà Â- ter race (blond hair, blue eyes and fair skin). Howà Â- ever, many Norà Â- weà Â- gians were against everyà Â- thing the Nazis stood for and resisted bravely. One interà Â- està Â- ing aspect of the book is that Ms. Preus takes pains to explore those Norà Â- weà Â- gians who supà Â- ported the Nazis.
