I just finished reading M.R.Neer's TMs The Elixir of Freedom from his new Light Finder Legends

series, and I was enchanted. M.R. Neer's direct and simple language allows the story itself to shine through: a tale of innocent love and quest for Knowledge. It follows Ravi and Verda in their search for the Heart of the Sun, the one tool that will overcome the destructive darkness in their environment and, by extension, in the world. Throughout this compelling story, M.R. Neer reminds us of the powerful fact that just one flicker of light can overpower even the deepest darkness. It's a captivating story that will resonate with all ages and all levels of readers.

This is a must read for people of all ages. The author imparts a timely message with candor, humor, and an excitement about life. I am a mental game coach and teach the value of a positive outlook in all one does. Mr. Neer's "Elixir of Freedom" brings the "positive" to the height of awareness in his timeless story. Don't miss this one -- it is a gem, that will brighten and shine upon you for a long time to come. I look forward with anticipation to the second book of the series!!

I just finished the Elixir of Freedom. It incorporates strong character values within an easy and fun to read story. Children and adults alike should gain insight from these pages as they remind us that challenges can be met through a perspective of our good within instead of focusing on the problems we face. Wholesome, intuitive, and filled with an understanding of how to successfully live life. A story that can get a clear point across without resorting to sex and violence. S. Martin Fresno, CA
