If I Was Your Girl (Ni-Ni Girl Chronicles)

Synopsis

With a bootylicious body like Beyoncé and a face that would put any top model to shame, Toi McKnight has all the cuties coming her way. Who could blame them? She was always rocking the latest fashion trends and hanging at every bangin' party in the city. But all that came at a price, and now Toi McKnight is the seventeen-year-old mother of a baby boy. Between bills to pay and adult responsibilities to meet, she's got zero time for sizzling gossip, chilling with her friends or doing the things she used to. So when unexpected sparks start flying between her and six-foot-two, deliciously fine Harlem, Toi knows she's got to dead any chance of a relationship fast since he doesn't date teenage mothers--and she's vowed to never love again. But every time Toi tries to cut Harlem loose, she falls harder for him. And all the other drama in her life doesn't help the situation any, especially when her son's father comes back around. Toi tries to do the right thing, but doing the right thing just may put her on heartbreak express for good. Introducing teen writing sensation Ni-Ni Simone. With a raw, fresh, and unmistakable voice, she proves herself a force to be reckoned with. Simone lives in New Jersey and is a graduate of Kean University.

Customer Reviews

APOOO Rating: 5 stars Rating: 5 stars Seventeen year-old mother of a baby boy, Toi McKnight realizes that things are not the way she imagined they would be. Gone are her dreams of being a family with her baby's father, Quamir, chilling with her friends, dressing in the flyest gear and attending college to become a teacher. She soon realizes that along with being a mother comes

responsibilities and priorities come first. With all the drama that comes with being with Quamir, his doggyish ways, cheating and having babies all over town, will she finally let go and realize that she deserves better? With her mother constantly on her back, will she realize that it is only with her mother's love that she just doesn't want to see her go through some of the same things she went through? Will she realize that with patience and determination that anything is possible? *If I Was Your Girl* by Ni-Ni Simone tells the story of a teenage mother and her struggles to be the best mother that she can be and pave the way for a brighter future for her and her child. I believe that all ages can benefit from reading this book. Especially if you were a teen mother at one time or have a child that is a teen mother. It shows the strength of a mother determined to see her daughter succeed to be the best she can be and helps her to realize that just because you have a child your dreams do not have to die. It shows a young girl grow into a responsible woman. *IF I WAS YOUR GIRL* was an excellent read that definitely deserves five stars! It was a fast-paced read, I literally could not put this book down. It had me laughing out loud with the crazy antics of some of the characters, such as: Cousin Shake, Ms. Minnie and her son Lil' Bootsy.
