# Different Like Me: A Book For Teens Who Worry About Their Parents Use Of Alcohol/Drugs

## Synopsis

Written for teenagers, this volume looks at life with parents who abuse alcohol or other drugs. It explains what chemical dependence is and what its effects are, and offers practical suggestions, advice and resources for helping teenagers feel better about their families and themselves.

## Customer Reviews

I wish I'd had this book while I was growing up! I recommend it to young people as well as to their teachers and others who work with youngsters and need a better understanding of what children of alcoholic parents are going through. The poem on the dedication page is especially insightful. The author obviously has a thorough knowledge and understanding of this subject. Don't miss the eye-opening quiz at the beginning of the book! Sincerely, Deanna Hessedal Tiddle (author of "Hold On, Jessica, Don't Let Go," a novel about a child struggling to survive life in an alcoholic home)

This book is a wonderful resource for children of alcoholics or treatment professionals working with children of alcoholics. It is a deeply moving collection of letters, poems and facts.
