## Customer Reviews

My field guide just arrived to me this morning and I couldn't be happier. After flipping through a few pages I already want to take the book and run into the wilderness. It gives you that extra spark needed to go get out there. The book has beauty covering every inch.

Katie Daisy is an amazing artist and a true "flower child". I love everything about this book. This would make a great gift to anyone who loves the outdoors, flowers, fauna and nature. Her products are first class and I am glad I found Katie Daisy years ago on "Super Soul Sunday"

I will carry this little treasure with me everywhere! The most beautiful book filled with flora, fauna and the loveliest quotes. Perfect for all of the nature lovers or someone who just enjoys quotes and

beautiful artwork! Do yourself a favor and buy this book! :)

It arrived yesterday, I have been reading through it and it's wonderful. Fresh, pretty and full of reminders to the little things capable of filling one's body and soul with joy. I will definitely put this book in my backpack soon, I also ordered some of the quoted poets I did not know. Oh, and I made a list of friends that will receive this book as a present :)

Beautiful. I loved every detail about this hardcover book. The colors, the attention to detail in the paintings. Katie Daisy has really shared her remarkable gift of bringing the outside into our homes. I am enjoying all the outdoor recommendations and the quotes. Lovely.

The perfect adventure and life book. Shortly after receiving my copy, I ordered a copy for my sister and will absolutely be giving this as a gift again. This book is beautiful, practical, and inspiring.

I am a super fan, and this is a beautiful book full of daydreams! There's memories, recipes, outdoorsy ideas, all wrapped up in Katie's beautiful, atmospheric art work. I truly love this book. It charges my creative spirit while simultaneously relaxing me! What can I say? It is a keeper.

So beautiful, the illustrations are breath-taking. I'm going to be buying more as gifts for my friends this year. Great for any artist, hiker, etc. Just a beautiful perspective, once again, completely breath-taking.
