# My Favorite Mistake: An A Circuit Novel (The A Circuit)

## Synopsis

Tommi, Zara, and Kate are all elite riders on the A Circuit. Tommi, the billionaire heiress, is training a young horse to prove she can make horses a real career. But when her new beau, Alex, convinces her to skip a horse show to party in the Hamptons, the results could be disastrous. Zara, the celebante wild child, is finally taking her riding seriously. Until the new "nanny" her dad hires threatens to upstage Zara's party girl status. Then there's Kate. She doesn't have money to burn like the others, but she does have Fitz, the barn's resident hot guy. But when the pressure of being a working student builds, Kate's perfectionist tendencies threaten to get in the way of her relationship and her riding. Readers who are growing out of the Canterwood Crest series or searching for an A-list fix have found just what they're looking for in the A Circuit series.

## Book Information

Series: The A Circuit

Paperback: 256 pages

Age Range: 12 and up

Grade Level: 7 and up

## Customer Reviews

After reading the fun and frothy *The A Circuit*, the prequel to *My Favorite Mistake*, I couldn't wait to see what was up next for Tommi, Zara, Fitz, and Kate, especially given where the last book left off! Thankfully, *My Favorite Mistake* was even better than *The A Circuit*. It provided even more drama as well as intrigue and even some real live situations were thrown in. Basically, it was the perfect read for a quiet afternoon or evening! *My Favorite Mistake* starts up shortly after the last book left up. The girls as well as their horses are training for even more horse shows while dealing with the many

problems as well as fun that comes their way. In this addition, I really feel like the girls grew as characters. Zara became more than just a "party girl" when faced with the dilemma of what to do when her babysitter turns out to be even more wilder than she is. Headstrong Tommi, on the other hand, deals with a new love, one that may provide a risk to her horse riding career. Lastly, Kate is dealing with her own problems, which include her Mom's OCD ways, her developing relationship with Fitz, and much more. I came to like the girls even more in this one, especially Zara, because not only were they fun, but they really managed to come off in a realistic way in this one. They made mistakes, they risked their futures for silly things, and they loved and learned... basically even with their amazing lives they still managed to just be regular teens, trying to find their place. The only aspect, I wasn't too big on in this one, was the lack of development into their friendship. The girls didn't really spend too much time together in this one. Hopefully that will change in the next one! The plot in this one as much fun as the last one! It was interesting to find out more about the world of horse showing as well as the many preparations the girls have to do for it. I also enjoyed seeing the girls' everyday adventures as well as Kate's developing relationship with Fitz. The ending of this one also provided me with enough juice and intrigue to be saying, "Where's the next one?!" The writing in this one was also decent! Georgina as well as Catherine did a fabulous job of blending the girls' POVs together as well as making sure they didn't overlap. In all, *My Favorite Mistake* is yet another fun addition to the *A Circuit* series...here's to hoping the next one is even better! Grade: B

Tommi, Zara, and Kate try to balance their love of horses, competitions, friends, boyfriends, family, work, and shopping. In this second book in the series, Tommi has a new boyfriend who doesn't always help her make the best decisions; sometimes "catty" Zara deals with the annoyance of having a "babysitter" who turns out to be less responsible than she is; and, Kate learns that friends want to help her balance work and her health. The reader will love getting to know these dynamic and interesting characters. The author can really make the reader care what the characters do in the novel and how their decisions play out. Who doesn't love horses? Although I know something about horses, showing, jumping, and stables, I learned something from the descriptions of riding and caring for horses in this book. I loved that Kate found a potential ride, one that might rival her wealthy friends' mounts, in a small country stable. The descriptions of the horses and environment can really make the book come alive for the reader. I don't usually watch the teen/young adult TV dramas, but *My Favorite Mistake* reminds me of series like *"Gossip Girl"* and *"Pretty Little Liars"*. \*Complimentary copy received for this review, does not affect my opinion in any way\*

Really enjoyed this story about the Hunter/Jumper world and junior riders. Georgina Bloomberg, an international Hunter competitor, really added a note of factual interest to this teen horse novel. Very entertaining.

I enjoyed the first book in this series, *The A Circuit*, but I wasn't absolutely blown away by it. My *Favorite Mistake* by Georgina Bloomberg and Catherine Hapka was everything I had been hoping to find in book 1 and more. I instantly was caught up in the story, and was so bummed when it had ended. I really just love the horse showing world in these books. In *The A Circuit*, I was a bit lost, not sure of some of the terminology people used, but by the end, I had gotten it all down. This made getting into the story and completely understanding what was going on so much easier in *My Favorite Mistake*. The plot was a lot of fun. I felt like the plot of *My Favorite Mistake* had a bigger focus around friendship, and that was really nice to see. There are some new relationships that I am curious to see how they will pan out in future books. I really love the characters in this series. Kate and Tommi remain my two favorite characters of the books. They are both such goodhearted people and a ton of fun! It was nice to see more of some of the other characters, as well as a different side of some, like Zara. I wasn't a fan of her in *The A Circuit*, but *My Favorite Mistake* really showcased another side of her. I simply cannot wait for the next book in the series now. This installment was so much fun to read, and I loved hearing more from the wonderful characters. I would really recommend *My Favorite Mistake* to anyone looking for a great story and a fast read. I am very excited to see more from this dynamic duo!

This book is not a good one. They show no love for their horses and they are all full of hatred. It also has some inappropriate content in both books. The cussing is very useless and has no purpose. This is not a good book
