Elixir: A Covenant Novella

Synopsis

Aiden St. Delphi will do anything to save Alex. Even if it means doing the one thing he will never forgive himself for. Even if it means making war against the gods.

Book Information

Publisher: Spencer Hill Press; 1 edition (November 27, 2012)

Language: English

ISBN-10: 1937053407

ISBN-13: 978-1937053406

Product Dimensions: 5.8 x 0.3 x 8.8 inches

Shipping Weight: 6.1 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (226 customer reviews)

Best Sellers Rank: #114,217 in Books (See Top 100 in Books) #71 in [Books > Teens > Science Fiction & Fantasy > Fantasy > Myths & Legends > Greek & Roman](#) #572 in [Books > Teens > Romance > Paranormal](#) #656 in [Books > Teens > Science Fiction & Fantasy > Fantasy > Paranormal & Urban](#)

Customer Reviews

*** If you have NOT read Deity, DO NOT READ THIS REVIEW.*** Seriously, it'll spoil Deity for you. So unless you're the kind of person who reads the last page first, you really don't want to be here. Still here? Ok, you've been sufficiently warned. Starting in 3... 2... 1... After that jaw-dropper of a cliffhanger in Deity, I've been dying to find out what happens next. I'm pretty sure I could've survived (though just barely) not knowing what happens to Alex & Co. until Apollyon. I could've done it with the help of multiple rereadings, bulk packages of tissues, endless pints of mint chocolate chip, and a self-imposed, home remedy for nail biting. Maybe. But did I want to? Um... that would be a "No." No, I want to know more now. Guess what? Wish granted. Elixir has arrived, and thank you, thank you, thank you, Jennifer, for giving your readers a little something extra to hold onto until next we meet up with the Covenant gang. As you might remember from my Deity review, snarky, tough, smart-mouthed, completely rash Alex took a while to grow on me in this series. I always liked her enough, but it wasn't until Deity that I fell in love with her character. She matured, she thought before she acted, she was sacrificial and used better judgment, while still retaining that essential spark that makes her so lovably Alex. From Half-Blood to Deity, her maturation as a character is just

so well done and organic. It might sound strange, but if I hadn't been so "eh..." about her character in the beginning, I'm not sure I'd love her as much as I do now.

Let me begin by stating this one simple but very true fact...I have ALWAYS been team Aiden!! never wavered. I never jumped on the Seth bandwagon. NEVER. I knew what that kid was all about. Yep! You might want to read Deity before reading this little bad boy because it will spoil Deity for you if read it first. I also want to mention you want to read this one before reading Apollyon. I haven't read Apollyon yet but it just seems like the most natural thing to do. Elixir is Aiden's story. It is hard to really review this one without spoilers because absolutely everything about it is spoiler-ish. What I will say is that you get to understand Aiden on a deeper level and his thought process. Elixir picks up right where Deity ends diving into a month long description of "holy crap that just happened". This was pretty awesome because when I tell you that Deity's ending was crazy, I do mean it was crazy and it was nice to know what has happened since then, sooner rather than later. At any rate it was awesome being in Aiden's head. He's not perfect. There are flaws. However, his flaws and imperfections come from wanting to do the right thing and living an honorable life. He has a beautiful soul and a beautiful heart. I was already in love with Aiden before Deity and Elixir. Deity and Elixir just intensified that feeling and reconfirmed what I already knew he was all about. Deity and Elixir also made me love the series even more. I honestly believe this is the best series JLA has to date and it is also the most consistent. This world is a very strong one with interesting characters and wonderful surprises. Love it!"Love is such a wild and reckless creature. It cannot be planned or threaded. It cannot be controlled.
